We have high-school and college-aged Peer Educators trained in both substance abuse and health & sexuality curricula*. Our Peer Educators will travel to your site to lead a dynamic workshop with your youth!

For groups ages 8-18.

Possible topics include: communication skills, stress management, healthy decision making, peer pressure, substance abuse, bullying, building healthy relationships, reproductive health and more!

Age-appropriate workshops can be tailored for your youth, and can be offered one time or in a series. We will be available to facilitate workshops Mon-Thurs, July 29th-August 14th, 2019, 11am-4pm.

Site must be convenient to a train line.
