## CRITICALLY CONSCIOUS EDUCATORS RISING

The goal is to convene like-minded stakeholders while building a critically conscious community who will turnkey information within their individual spheres of influence.

Sign up for this opportunity to develop critical consciousness in the classroom + beyond!

During the 2018-2019 school year CSS will offer 10 cohorts (with opportunities for teachers, administrators, counselors, social workers, parent coordinators, + parents to join the series for the first time + for returning 2017-2018 participants to do intensive curriculum + unit planning). New participants must attend one full day session followed by 7 monthly sessions throughout the year.

Foundational session dates:

**September 29**  
**October 6**  
**October 13**

More information can be found on the NYU Metro Center website here:
